# Silhouette Blinds

Gentle translucency for an endless variety of moods

## Three products in one;

Venetian blind sheer & shade Soft as silk, elegant as a curtain and practical as a Venetian Blind. The ingenious construction of Silhouette Shades, with translucent voile to the front and back, allows light to gently filter into your home while improving your privacy.

# VENETIAN BLINDS MOTORIZED (OPTIONAL)

Conveniently close or open all your blinds or shades at the same time, perfectly positioned and aligned, with a touch of a button. No more cables or strings that get tangled up! Motorized Blinds motors are also ideal for large windows, high-up or hard to reach window coverings.

The benefits of motorized interior Venetian blinds

## The quiet Sonesse range

Dedicated to interior spaces.

## The "my" function

Lets you program a preferred position of your blinds or shades so that you can access that position every time at a simple press of "my" button. Set it once and use it as much as you like!

## WireFree™ range is 100% wireless

Lets you line up all your blinds perfectly with a centralized remote control.

Ready for home automation and connected house

## MANUAL CONTROL OR MOTORIZED CONTROL

### Motorized Operation:

For optimal comfort, motorized operation is available. The shade can be raised, lowered and tilted by means of a switch or remote control
